## SKY-ROCKET YOURSELF TO FINANCIAL SUCCESS WITH US!

Our compensation plan is really simple, but, it is unbelievably powerful. It is based on a 4x10 Forced matrix, and works much like any other forced matrix in terms of matrix placements. In a 4x10 matrix, every position is directly connected to only one position above it, and 4 positions below it. Those 4 in turn have only 4 attachments below each of them, and again so do those below, and this continues on down for 10 levels.

### MATRIX OF POSSIBLE EARNINGS IN THE POWER OF 4

Beside earning \$50.00 for each person you personally sponsor, you will also be entered into the 4x10 forced matrix. One slot in the program has an **earning potential of \$2,708,828**. The Members earn for direct/ indirect referrals and spillovers. This means that you do not only earn for every person you refer, but also get paid for the referrals referred by your sponsors and then for there referrals and so on. The table below is an example which demonstrates how your earnings will accumulate to **\$2,708,828 of total income by just referring 4 people who can follow the system up to the 10 level**. We do not limit the number of your slot desired. Everyone has the potential to earn unlimited income because there is no saturation. You can make your up lines and cross lines your down lines, and refer as many as you can and therefore earn quite a bit more.

The sample below is if everyone brought in 4 people. What if you sponsored more than 4 people? Many people bring in dozens, even hundreds of people. **POTENTIAL IS MIND BOGGLING!**
